administration

To each student in Talihina High School I would like to wish the ultimate in spiritual, mental, physical, and financial successes in life.

There is a time in every man's education when he arrives at the conviction that ENVY is ignorance; that IMITATION is suicide; that he must take himself for better or for worse, as his portion; that, though the wide universe is full of good, no kernel of nourishing corn can come to him but through his toil bestowed on that plot of ground which is given him to till. The wise man becomes full of good, even if he gathers it little by little.

May each of you, as students, gather even little by little, remember character is like a tree and reputation like its shadow. The shadow is what we think of it; the tree is the real thing.

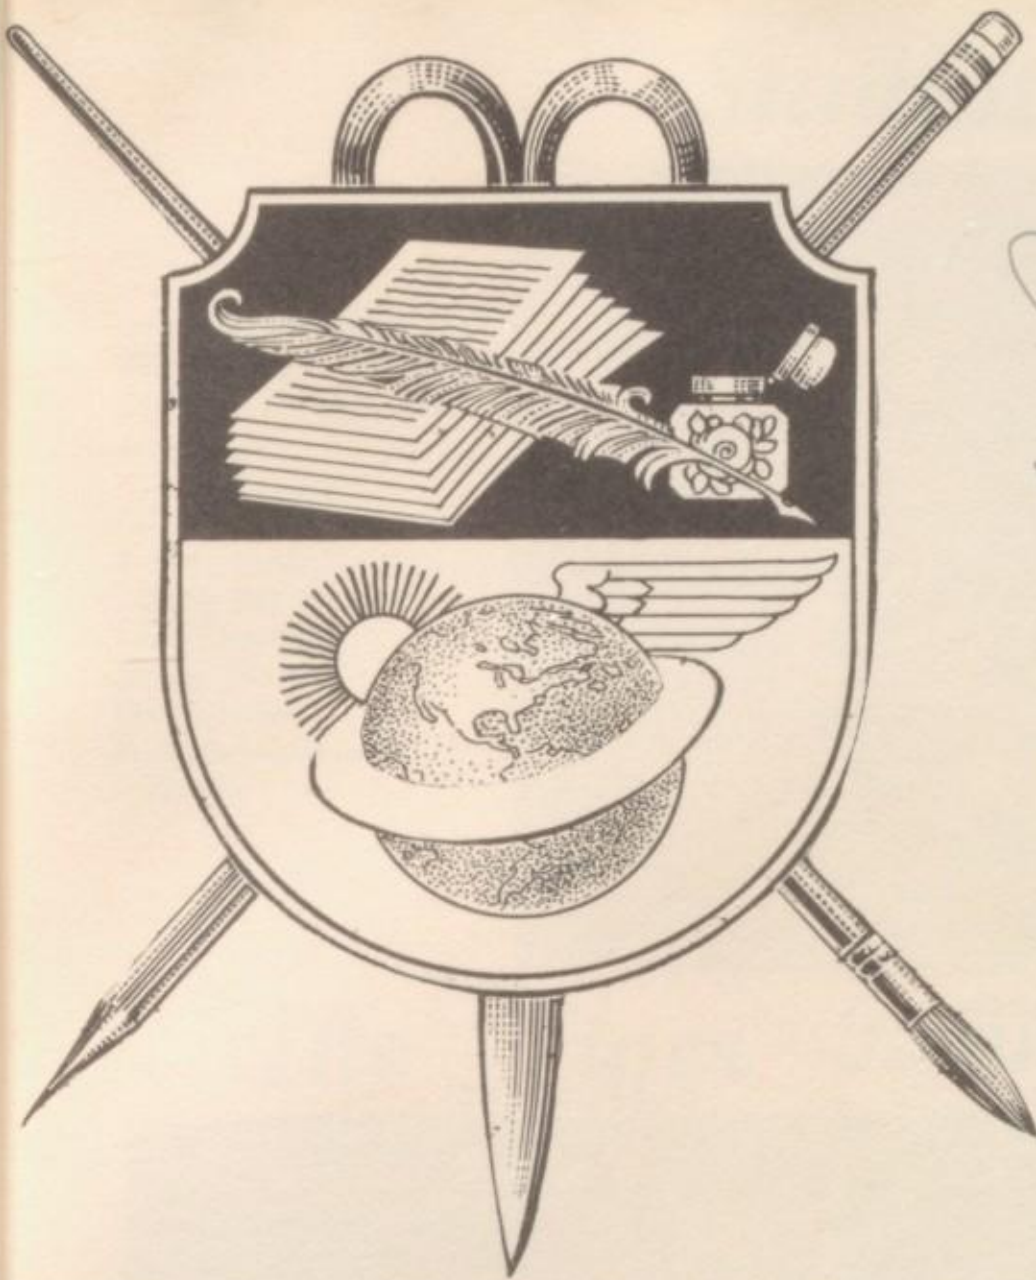

May your fortune and knowledge be the fruit of your character.

Senior Class Prophecy

As we travel down the lane of the future, we see all our old school chums of the Class of 51-52.

The most interesting, perhaps, is the biggest horseracing Manager in the business Mr. Jerry Campbell and his wonder horse "Candy". Mr. Campbell is in love with the gay divorcee Miss Marilee Jordan, but she can't make up her mind whether Jerry or movie actor Gary Anderson will be her next husband. Speaking of husbands, what has become of Ruby Redding's husband, since she became Miss America of 1960?

Micky Holt editor of the New York Times is seriously infatuated with Colleen McDonald, great Metropolitan Opera Star. But he is still being true to his childhood sweetheart Joan Allen who is now his Ace Reporter on the Times.

Some of our old friends have become quite famous in the field they have chosen. Russell Emmert, the greatest president since Lincoln, was re-elected to office this year. The race was a close one but Russell came out ahead after his classmate David Fox and beautiful accomplished Doris Winlock were arrested for grafting money from his beautiful estate in the Kiamichie Valley where he entertains celebrities. The president's last week-end party was given in honor of two of the greatest athletic stars of all times. Buddie Vancil, Professional Basketball Player who had just been elected as "Mr. Basketball U.S.A." and Mr. Bee Hatton, better known as "The Flying Fist" and the worlds greatest boxer since John L. Sullivan.

As we are recalling all the good old times at THS we wonder if anyone ever thought that Conradi Cous'send world famous Jet Plane pilot, would capture the heart of Janis Wade (Coussens) a great business woman who is still busy at work fighting Parking Meters in Talihina while the Coussens' mechanic on their private Jet, Hubert Uselton, doubles as a grease monkey and a baby sitter for their 6 children. Hubert has never married but at the present time he is engaged to 4 different girls. We wish luck to Hubert.

The other day we happened into a super market downtown to buy some meat and who should we see behind the counter but Jon Fields, owner and operator. Jon was talking over old times with a couple of his old friends from T.H.S. Admiral Scholer and Supreme Court Chief Justice Oscar Curnutt. Admiral Scholer was seriously wounded during his campaign in the South Pacific, and who was there to help him?? You guessed it - none other than Doctor Katie Hall, who received her Ph.D from John Hopkins, now owned by Mr. and Mrs. McAninch. The McAninches only keep the hospital as a by-line while they're not vacationing on their villa "El Modre" in Mexico.

It is with sad regret that we leave our thoughts of the dear old Seniors of 51-52 but we want to wish them all good luck.
